4.1 Budget review and approval by Gord Dinney. Gord presented an overall picture of the formation of the 2019-2020 budget. Gord reviewed the budgets for all departments. The increase in the Water & Sewer rates will take care of the Water & Sewer deficit plus provide the ability to increase reserves for the purchase of much needed Water & Sewer trucks. The first budget resulted in a deficit again this year of \$528k requiring Council's involvement to not only decrease the deficit but show credit toward the existing 1MM+ deficit. It was decided that the Finance committee would be and work on reducing the budget preliminary budget within an acceptable level.

4.2 Resident use of alcohol content products. Mouth Wash, Listerine and Lysol Spray is causing a major health concern. It was decided that a letter be written to the Co-op and Northern asking if they could consider selling only alcohol free products or if not stop selling Mouth Wash, Listerine and Lysol Spray.
