12. Mayor's Report:
Joshua Katsak: North Baffin Island mayors forum to be held in Iqaluit, the SAO and I will be attending the meeting. Baffinland had also asked to meet with the High Arctic Mayors regarding their project.

13. SAO's Report:
David Stockley: Received over $1.3 million deposit on the bunkhouses, which was good to see but $900,000.00 will go to taxes, 675 to go to pay for the bunkhouses. We had to pay $240,000.00 to CRA after the bunkhouses were paid off. Mark Archinuk from Hopec Industries will be arriving next week to install new handhelds and do some adjustments on the community hall heating system. Naomi and Silas in Iqaluit to do some training, that should help out for sure. We met with the World Cruise Ship people, we asked the Parks people to join us. Plastics were brought up to see if the ships could ship out the plastics we collected. Meeting to be held here at Chambers on April 3, Baffinland will fly in 4 people to meet with us. I have been after Baffiland regarding the training center, don't want them to build it in another community. We always get into a deficit situation with the Visitior's Centor, I told the Nunavut Government we could not do it for
