12. Committee Reports:

12.1 Community Planning & Lands:

Joshua Idlout: Explained the motion for the lands earlier.

12.2 Economic Development, Training & Education: Danny Maktar: We will be interviewing for a director soon.

12.3 Environment & Protection: Joshua Arreak: We had agreed to let SAR use chambers for training on the weekend.

12.4 Health & Wellness: No Report

12.5 CLEY – Culture, Language, Elders & Youth: No Report

12.6 Adhoc Committee:

Boazie Ootoovak: AEC met January 6 to discuss orders. Baffinland is in town, I asked Baffinland to meet with the AEC regarding their employees and alcohol.

12.7 Recreation:

Moses Koonark: Met January 16, 2020. There will be an after school program starting soon at the High School. The arena hours have changed and we added more hours to the Senior Men’s team schedule. Casual employees at Recreation aren’t covered by insurance, can they be made full time and get insurance? Arena staff wanted to know what the situation was with the Zamboni.

David Stockley: Waiting for Baffinland for reply to our request for funding.

Moses Koonark: We were told all the equipment at the radio station was worn out and we wanted to know if we will be getting new equipment.

David Stockley: We are looking for monies to replace the equipment.

13. Mayor’s Report: 110

Joshua Arreak: I talked with Bert Rose about coming here for workshops on our surface and subsurface rights, I thought I would invite HTO. We went to Iqaluit for meetings, the five communities were invited with representatives of two each from Hamlet and HTO. The five communities wanted to know if the communities could work more closely together, the Mayor of Igloolik brought that up. Organizations from the GN and NTI were very interested in attending our meetings. The five communities want to start up a working program with members from Hamlet and HTO. Monies are

chlorine would be added automatically instead of pumping from the reservoir. CG&S will be coming here next week to put in a temporary water system, everything should work on a temporary system until summer when CG&S comes in to put in the new system. All costs will be paid by CG&S. All our buildings have been reviewed, all parts missing will be bought. Wellness funding has been re-organized. The Breakfast program funding was approved and both principals are happy about that. CG&S needed two days for Council training, February 12th and 13th were chosen.
