truck has broken down and need parts although it can work up to 30 minutes or less. The reservoir of the other fire truck froze and had to be taken to a different garage. Both are operational but may not work in case there is a fire. There are 2 paramedics on the ambulance but he feels there should be 3 to include the driver. He has never been paid since he started working as a paramedic because they said he is not certified. When a call comes in, two paramedics are on the field and he is at home doing paperwork and what not and he does not get paid. The Fire Department and Ambulance Services has different protocols. Something that the Hamlet Council can think about.

15. Around the Table:
There is a committee called Tasiuqtit Working Group which comprise of a Hamlet Council member & an HTO representative. They will need to select an elder, youth and a member-at-large to join the committee. Hamlet Council will have to decide if they support the Inuit Certainty Agreement or not. QIA is waiting for a decision from the Council. MHTO has said that the agreement has already been signed and they support it. The Hamlet Council voted in favor of the agreement by show of hands and the Mayor will inform QIA about the decision.

- 4. Coreen is away until December 15th and involving 6 residents. Going well.
- 5. We've been approved for additional 30k for mental health counselling. We're hoping to get some of the elders involved.
- 6. Our 30k application for Gym equipment was approved for the Community Hall.
- 7. A special cell phone for the Ambulance has been ordered. Once received, the Health Centre can have the person on call directly which should speed up the process.
- 8. The engineer that did the blueprints for the Wellness Centre called and offered 600 lbs on Salmon Fillets. This was received and passed over to the Food Bank.
